
´Welcome to ´Romantic-Louveteaux-en-Provence****´

You are now in our <https://www.gipp.nl/louveteauxguestinfoprogram>
which provides lots of information for your stay.

Welcome to our eco-friendly ´Romantic-Louveteaux-en-Provence****´. The house is built on a hill in ´La Lauve´, an 80 ha private nature reserve in the Provence. This peaceful heaven for wildlife and people alike is situated at the border of the Alpes Maritimes and the Haut Provence.

The house is beautifully decorated in authentic French country style and offers nice charming views on the surrounding hills.

Your home away from home:

4 bedrooms, 3 bath rooms, infinity pool and a large private garden

Les Louveteaux has 4 bedrooms of which 3 have their bathroom. There are two fire places: in the living room and the master bedroom. The 2 downstairs apartments have an extra bath tub. The house has various traditional features and a centuries old well-functioning Provencal wood oven, in case you wish to try and make your own pizza, bread or the 'pissaladière', the regional pizza styled specialty, you will have to pioneer! The heated 22-27° (depends on the weather conditions) infinity swimming pool provides an overwhelming panorama view over 'La Lauve's' forest and fields.

Pick up service at the airport

Although most people get here by car, we are able to arrange your transportation from the airport. Just check with us for possibilities and prices!

'Grocery Service' for your convenience

Although we always provide complimentary local goodies and welcome drinks, ready for you in your Fridge, we can imagine you like a full fridge when you arrive. We can do some shopping for you. Tell us what you need and we will make sure it's there when you arrive. For this service we add a surplus of 20% to the actual price of your groceries.

Information to plan your holiday

In the corridor of the house you will find a display filled with folders and information about the area. These are free to take away and use. There are also maps of the region placed in the display, these are free to use while you go out, and we just kindly ask you to return them for our next guests.

Handy things to use while you are here

In the laundry room you will find some more handy things like a cooling box and frozen elements that you can use for a picnic. We also have some new outside cooking tools (e.g. Dutch oven). Our staff will explain!

Extra cleaning services

Although we only agreed on cleaning after your departure, we might be able to clean and change bed sheets during your stay, when you are not there. In case you like this extra service, please check with our staff for extra fees. For your convenience we have placed various cleaning attributes in the house. We kindly ask you to treat the house as it is yours, with respect!

In the house you will find a variety of local goodies to make you feel even more welcome. Have fun and enjoy the Provence !!!
